The Social Concerns Committee is again needing your help with meals for the Catholic Worker House. Next weekend, after all the Masses, we will be in the Jubilee and side entrances, handing out disposable pans for you to take home. Please fill with your favorite casserole, freeze and then return it to the church basement before Mass the following weekend. If you would like, a frozen casserole from your food store will work, too! These will then be taken to the worker house, where they will be stored for use at their community meals. We will include an index card, which we ask to be used to identify the casserole and to include cooking instructions. 20 pans will be available at each Mass. Not a lot of work, but a wonderful way to be a steward to the less fortunate of our community.
